David

Thank you for the email. Please advise if the PCN still stands as Mayoral chains were being used.

Regards,

This an exaggeration. We would not use such terminology that indicates no PCN would ever be issued.

I agreed with Councillor Botterill that we would seek not to issue where the mayoral chain was involved due to its value.

I will happily discuss the situation again when I next see him.

Dear

Please see the attached parking ticket received for the Mayoral car on 8/12/11, which was issued by CCTV camera outside the Mayor's house

I was informed by the Cllr Frances Stainton, Mayor that it was agreed that no PCN would be received outside the Mayor's house at anytime until the Mayor's end of term.

I think the conversation was with Cllr Nicholas Botterill and David Taylor, can you please check and let me know and I'll discuss it with the Mayor.

Regards,
