Subject: Information request (ref: 495881)

Good afternoon

I refer to your information request and our response is below.

1. Any assesment of a pressing public need for CCTV at Bagley's Lane/ New Kings Road prior to installation.

We do not hold this information

2. Any impact assessment prior to installation to determine whether CCTV at New Kings Rd / Bagleys Lane was justified in all the circumstances.

We do not hold this information

3. I wish to see if the Council followed the guidance from the Secretary of State on the particular day my PCN was issued (19 June 2012) to see if this camera was used sparingly.

For the 19 June 2012, please supply:

a) The number of locations at which PCNs were issued on this day.
PCNs were issued using this camera at 1 location only.

b) The total number of PCNs issued by the council on that particular day at all locations.

114

c) The number of PCNs issued at Bagley's Lane / New Kings Rd on that day.
114

4. Please supply the Council's Code of Practice for the Operation of CCTV Enforcement Cameras as described in - section 2.5.1 of "Code of Practice for the operation of Public Space Closed Circuit Television." which is at:
https://www.lbhf.gov.uk/Images/LBHF%20Code%20of%20practice_tcm21-42288.pdf

The Code Of Practice can be accessed by following the links below.

http://www.lbhf.gov.uk/Directory/Transport_and_Streets/Parking/ Then click on

[CCTV enforcement code of practice](#) in related links at the bottom of the page
